## 5 IDEAS FOR SINGING WITH YOUR LANGUAGE CLASS ONLINE

### Copy the Teacher

Record yourself singing a song. Learners record their version and upload it to class portfolio.

### Karaoke Club

In breakout rooms, learners take turns singing to karaoke tracks on YouTube while sharing their screen.

### Song Hunt

Give clues about a song, and learners research online to find it, then record themselves singing it.

### Music Video

Learners design, plan and record their own music video for one of their favourite songs.

### Virtual choir

Learners all record themselves singing the same song. Put videos together.
